From the Desk of the Principal

Kia ora everyone,

As of the 21 March, the government has set a Covid -19 alert level 2.

The alert levels specify the public health and social measures to be taken. More information on these alert levels can be found at this site.

https://covid19.govt.nz/assets/COVID_Alert-levels_v2.pdf

We, at Sara Cohen School will be open on Tuesday as per normal.

Please note that under a Level 2 alert on Covid-19: students with a compromised immune system are requested not to attend school as of Tuesday 24 March until further notice. For a number of our students this means that last Friday was the last day of school for them until the alert level reduces. If you feel that your child's medical condition means that they may be at risk then you should consider keeping them at home for the immediate future. If you do make this decision for you child then please contact the office of your intentions office@saracohen.school.nz.

We are stepping up our actions at school with increased professional cleaning and hygiene routines for students and staff.

These are unprecedented times and we must all do our part to make the government's actions as successful as possible.

Make sure you make time for your whanau and look after your people. Being kind and considerate to each other.

We will keep you up to date with developments.

Nga mihi

Matt
